Hello Neighbors,

We're very excited to introduce the new Briar Oaks website! You will find many resources to learn more about our community including events, announcements, Board documents, ARC request forms and more.

Please note, to access the Board Minutes use the password BOHOA. Also, this site will be used as a platform to disseminate information to the neighborhood. All sensitive data and secure documents will remain with William Douglas.

Be sure to keep an eye out for upcoming updates, visit the new site now: <https://briaroaks.com/>

Please email us at input@briaroaks.com if you have any questions, we look forward to hearing from you!
