Hello Neighbors,

As the year comes to a close we would like to provide you with a few updates:

Front Entrance

In our last email we informed you that the wreaths in the front entrance had gone missing. They have since been recovered, but unfortunately were damaged. After the announcement, several neighbors came together and helped create a new and wonderful front entrance display for all to enjoy. We'd like to thank them for their kindness and generosity!

A few neighborhoods in our area are still missing their decorations, so we wanted to make you aware that although this time of year is special, there are still a few Scrooges in the world. Let's remain vigilant and look out for our neighbors.

Holidays at Briar Oaks

The last day for Letters to Santa is tomorrow December 17. Santa's mailbox is located at **10 Fawn Hill Drive**, remember to have your little ones lift up the flag. Santa's elves will deliver his reply and some goodies on December 18. Also, Mrs. Clause left some reindeer food by Santa's mailbox for the kiddies to come by and pick up until Christmas, we hear it tastes like oats 😊— it's only for the reindeer, not to be tried by children.

Luminaries will be this Saturday night in the community, if there is inclement weather, the make up day will Sunday evening. There will also be a guest appearance at the cul-de-sac of Briar Oaks Lane, along with hot cocoa and smores from 6:15pm-7:45pm on Saturday. Should there be inclement weather, that event will take place on Sunday, December 19 from 2pm- 3:30pm. We look forward to seeing you then!
