

Welcome to August

As we slog our way thru the dog days of summer let us all be thankful that it isn't snowing. Can you imagine trying to shovel snow in this heat?

To those that were on vacation during July, welcome home!

Congratulations to John and Patty Fischer at 102 Fawn Hill Drive as the second Briar Oaks Community Featured Yard. John and Patty are being recognized for the extra care they have given to their lawn, plantings, and deck ferns and flowers.

Greenville County has completed its traffic calming study. As a community, we do not qualify as we do not meet the minimum requirements adopted by County Council. To qualify we needed to have 695 vehicles per day and hit the 85% speed of 35 mph passing across our streets. Greenville County has offered free slow-down stickers that we can place on our trashcans to remind motorists to slow down. Additionally, we have been given a point of contact to have radar placed on the high-volume street which we will pursue.

Schools are opening on August 15<sup>th</sup>. Many parents are now starting to sing the familiar tune of "the most wonderful time of the year."

### **5K-12 School Start/End Dates**
